Welcome to Soernsen Timber Mouldings!

Dear Customers,

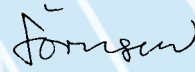

for three generations we have gladly served you as the focus of our efforts. Initiated by master of carpentry Johannes Soernsen, our mission is to preserve the values of partnership, quality awareness and flexibility that only a family business of old and young can offer.

Our company is based in the very north of Germany and will provide efficient logistics to your location worldwide.

We are looking forward to meeting you.

(Georg Sörnsen)

(Robert Sörnsen)
